ASHLEE – Philadelphia

MONEY

Get up to \$7,830 back with the federal Earned Income Tax Credit (EITC).

This is a federal tax refund for working people and families that meet certain income requirements. There’s no catch. No strings attached. It’s your money to use however you want, and you can claim it for FREE.

You could receive the EITC based on your:

FILING STATUS

You have a valid Social Security number.

INCOME LEVEL

You earned less than \$59,899 from a job in 2024, if single.

ELIGIBILITY

You must be at least age 25 but under age 65, if you have no dependents. If you’re younger or older, you might qualify if you claim dependents.

More than 40,000 Philadelphians miss out on claiming their refund every year. The average refund is \$2,250. There’s no reason to leave that money in the government’s pocket when it could—and should—be in yours! If you have kids, you might also qualify for the Child Tax Credit (CTC).

Tax season is open!

THE DEADLINE TO FILE IS APRIL 15.

MONEY

Get up to \$2,000 back per child with the federal Child Tax Credit (CTC).

Parents or guardians of children can receive a bigger tax refund by claiming the CTC. Eligibility criteria and the amount of the refund have recently changed, so contact us today to see if you're eligible. You can still claim your money for FREE.

What you should know about the CTC:

- **MANY PARENTS OR GUARDIANS ARE ELIGIBLE.** If your children have a Social Security number and were younger than 17 in 2024, you may qualify. Grandparents, adoptive and foster parents, and others may qualify if they can claim the children as dependents.
- **IT'S OK IF YOU DIDN'T EARN A LOT.** Even if you didn't earn enough to file taxes, you might be eligible for some portion of the CTC refund. We can help determine if you're eligible.
- **IT WON'T AFFECT YOUR BENEFITS.** CTC refunds don't count as income and won't affect your eligibility for SNAP, Medicaid, or other benefits.
- **YOU DON'T NEED TO PAY IT BACK.** It's your money, free and clear, for whatever your family needs.
- **MISSED OUT IN THE CTC IN PREVIOUS YEARS?** If you did not file taxes for 2021, 2022, or 2023, you might have missed out on thousands of dollars. Some parents who earned as little as \$0 qualified. Contact us to file a prior year's return and claim the credits you missed out on.
